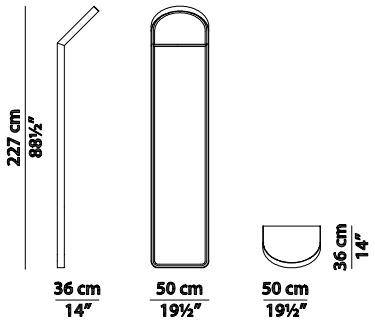
STARDUST Pietro Russo

50 x 36 h 227
Specchio / Mirror



COMPONENTI

n° 02 - Fischer con gancio

n° 01 - Specchiera

COMPONENTS

n° 02 - Fischer

n° 01 - Mirror

1

Scegliere la posizione corretta dove installare lo specchio.

Prima soluzione: Installare la specchiera in corrispondenza della presa inglobandola nella struttura.
Seconda Soluzione: Installare al Specchiera distante dalla presa di corrente. (Figura 1,1a,3,4)

Choose the right position to install the mirror.
First Solution: *Install the Mirror in corrispondence of the socket incorporating it into the structure.*
Second Solution: *Install the Mirror far from the socket*
(*Picture 1,1a,3,4*)

Fissare i fisher a muro. (Figura 2)
Fix the fisher on the wall. (*Picture 2*)

Appendere la specchiera. (Figure 5)
Hang the mirror. (Figure 5)

Montaggio completato (Figura 6)
Assembly is completed (Picture 6)
